Chorus Instructions

Please read before beginning at-home practice.

Welcome to chorus with Mrs. Jeanette Airen Impala! We are going to have a fun year singing and making music together.

This packet includes materials for our school concert and the All District Chorus Festival for this semester.

Practicing at Home

You can find all chorus songs at:

www.JeanetteAirenStudio.com/Chorus

(New songs and practice videos will be added as they are ready.)

How to Practice

1. First, listen to the song to become familiar with it.
2. After listening a few times, begin singing along.
3. Once your child feels confident singing, they may begin practicing the dance movements using the videos provided.

Materials

- Kinder Chorus students do not need to bring their packet to chorus class. The packet is for the parents to use during at home practice time.
- Extra copies can be downloaded from the chorus website and printed at home.

Chorus Class Procedures

- I will pick the students up from the Kindergarten drop off location.
- If your child has a snack, they can eat it while we wait for everyone to arrive.
- I will walk all kinder students to the MPR.

Dismissal

- After-school care students will be sent to the child care building first.
- All other students will be walked to the front of the school for parent pick-up.
- Students must be picked up on time. Mrs. Jeanette teaches at her studio after chorus and cannot stay late.
- Late pick-ups will be sent to the office. Repeated late pick-ups may result in removal from the program.

Performances

All students are expected to perform in our school chorus concert (see attached schedule).

If your child cannot perform, please let me know as soon as possible. They may still participate in class, but adjustments may need to be made for the show.

When contacting me, please be sure to let me know your child's name and which school they attend.

Volunteers Needed

What would you like to do? Does your profession, talents or interests allow you to volunteer during chorus class or can you do something at home that might be helpful? Older siblings in Middle School and High School can also help during chorus classes and performances for community service hours. Please let me know if you are willing to offer your helpful services or talents.

Some examples of volunteer activities include: helping supervise the students during chorus rehearsals, help supervise students during chorus performances, assist in making copies and other helpful office duties, running the sound or lights during our performance helping at the All District Chorus Festival, etc.

All adult chorus volunteers must complete the fingerprinting background check for the CRPD before helping in the chorus class.

Please detach and turn into Mrs. Jeanette if you would like to volunteer.

The Circus Is Coming To Town

Here they come
They're back in town
It's the greatest show around
Cause the circus is coming to town

There are clowns- jugglers too
There's so much to see and do
Now the circus is coming to town

The lions roar- elephants will dance
Nothing could ever be so grand!

Don't be left behind
They're startin' right on time
Cause the circus is coming to town
(Gotta see it!)
Cause the circus is coming to town

-Dance Break -

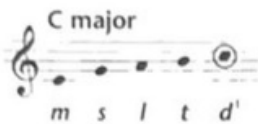

(Repeat the beginning)

(Gotta see it!)
The cir-cus is coming to town

Animal Fair

CD 11:8

American Folk Song

I went to the an - i - mal fair,

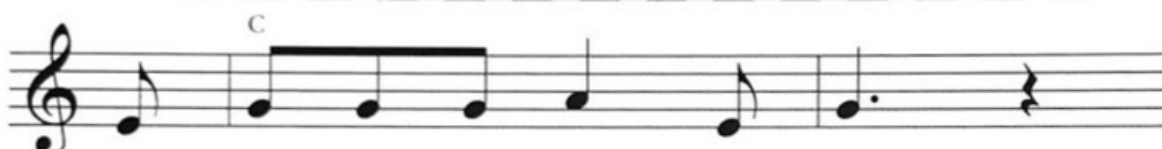

The birds and the beasts were there.

The big ba - boon, by the light of the moon,

was comb - ing his au - burn hair.

You ought to have seen the monk;

He climbed up the el - e - phant's trunk.

The el - e - phant sneezed and fell on her knees,

and what be - came of the monk?
