Chorus Instructions

Please read this before beginning your at home practicing.

Welcome to chorus with Mrs. Jeanette Airen Impala! We are going to have a lot of fun singing and making music together this school year. Included in this packet, you will find the materials for the musical we will be performing in chorus this semester. The Kinder chorus will be performing 3 songs for our show plus the opening song and finale song which will be sung by all choruses.

PRACTICING PROCEDURE

You can find our chorus songs on the chorus website, www.JeanetteAirenStudio.com/Chorus. Songs will be added and updated as our practice videos are made. Your child can listen to the songs or watch the videos to sing and dance with. If you choose to use the videos instead of listening to the recordings, please make sure your child is singing along and not just doing the movements. We need to make sure they know the words to the songs.

MATERIALS

Your child DOES NOT need to bring their chorus packet to class. You can keep it at home and parents can use it to help your child learn the words for our songs. If you need a second copy of this packet for any reason, it can be downloaded from the chorus website and you can print a new copy yourself.

CHORUS CLASS PROCEDURES

Miss Jeanette will pick up the kinder kids from Gate 4 when they are done with school and walk them to the MPR for Chorus Class. Backpacks should be left in the designated area when they arrive. We will ask the kids to use the bathroom before class starts. When chorus is over, Mrs. Jeanette will excuse the kids that attend after school child care first. Then, her assistant, Miss Bells, will bring the rest of the kids to be picked up by a parent or guardian in front of the school while Miss Jeanette prepares for the Senior Chorus kids to arrive in the MPR. Please understand that the Senior Chorus class is after Kinder chorus on Wednesdays, so we cannot stay late with children that are not picked up on time. Students that are not picked up on time will be taken to the office. If a student is not picked up on time multiple times, they may be removed from the chorus program.

PERFORMANCES

All chorus students are expected to perform in our performances of BACK TO THE MUSIC. If your child is not able to perform in the show, please let me know as soon as possible. They can still participate in the chorus class but I will need to adjust or change things for our performance. Admission to our mini-musical performance will be \$5 per ticket for all audience members. The lab fees and ticket sales help to pay for the expenses of putting on a musical productions, such as costumes, sets and props as well as additional staff that may be needed for our performances. Since kinder chorus members were not charged a lab fee, you will be responsible for providing your child's costume for the show. I list of costumes needs for each child will be sent home in a few weeks. If the ticket fee or providing a costume is a hardship for your family, please let Miss Jeanette know and she will make accommodations for you.

Volunteers Needed

What would you like to do? Does your profession, talents or interests allow you to volunteer during chorus class or can you do something at home that might be helpful? Older siblings in

Middle School and High School can also help during chorus classes and performances for community service hours. Please let me know if you are willing to offer your helpful services or talents.

Some examples of volunteer activities include: helping supervise the students during chorus rehearsals, help supervise students during chorus performances, assist in making copies and other helpful office duties, helping to create costumes and sets for our performance, running the sound or lights during our performance, etc.

All chorus volunteers must complete the fingerprinting background check for the CRPD before helping in the chorus class.

Please detach and turn into Mrs. Jeanette if you would like to volunteer.

PART 2

A buh-buh buh buh

ALL

You went to school to learn, girl
Things you never, never knew before
"I before E, except after C"
And why two plus two makes four
Now, now, now, I'm gonna teach you
All about love, yeah!
Sit yourself down, take a seat
All you gotta do is repeat after me

A, B, C
Easy as 1, 2, 3
Simple as Do-Re-Mi
A, B, C, 1, 2, 3, baby, you and me, girl!
A, B, C
Easy as 1, 2, 3
Simple as Do-Re-Mi
A, B, C, 1, 2, 3, baby, you and me, girl!

That's how easy love can be
Sing a simple melody
1, 2, 3, you and me

"Real World"

I wonder what it's like to be a superhero
I wonder where I'd go if I could fly around downtown
From some other planet, I'd fly so very high on a yellow sun
Boy, I bet my friends will all be ... stunned
They're stunned

Yeah!

Straight up, what did you hope to learn about here?
If I was someone else would it all fall apart?
Strange, where were you when we started this gig?
I wish the real world would just stop hassling me

Please don't change
Please don't break
Well the only thing that seems to work at all is you
Please don't change at all
For me to you
And you to me, yeah

Yeah!

Straight up, what did you want to learn about here?
If I was someone else would it all fall apart?
Strange, where were you when we started this gig?
I wish the real world would just stop hassling me

I wish the real world would just stop hassling me
I wish the real world would just stop hassling me

To you and me

"Count On Me"

Oh-oh-oh

If you ever find yourself stuck in the middle of the sea
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see
I'll be the light to guide you

We find out what we're made of
When we are called to help our friends in need

You can count on me like 1, 2, 3
I'll be there
And I know when I need it
I can count on you like 4, 3, 2
And you'll be there
'Cause that's what friends are supposed to do, oh yeah

Ooh-ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh
Ooh, yeah, yeah

You'll always have my shoulder when you cry
I'll never let go
Never say goodbye
You know

You can count on me like 1, 2, 3
I'll be there
And I know when I need it
I can count on you like 4, 3, 2
And you'll be there
'Cause that's what friends are supposed to do, oh yeah

Ooh-ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh

You can count on me, 'cause I can count on you
